Sir:

I hereby certify that this correspondence was

Date**RESPONSE**

This is a response to the Office Action mailed September 9, 2002, setting a period of response to one month or 30 days whichever is longer.

The Office Action states that Applicant's amendment dated June 12, 2002 (filed on June 18, 2002) was not fully responsive to the prior Office Action because of failure to reply to every ground of rejection. In a telephone conference between Applicant's attorney, William F. Noval and Examiner Kearney on October 7, 2002, it was explained that Examiner Kearney had not received page 4 of the June 12, 2002 Amendment due to the breakdown in mail being delivered to the USPTO because of the irradiation processes being applied to incoming mail.

Pursuant to this telephone conference included herewith is a complete copy of the June 12, 2002 Amendment including page 4. It will be evident to the Examiner that the missing page 4 contains a complete discussion of the 35 USC 103(a) rejection and prior art cited.

It is requested that Applicant's attorney be notified immediately if there is any further question relating to the completeness of response to the USPTO's Office Actions.

Respectfully submitted,

  
Attorney for Applicants
